Prevue Succession Plan

Customer Service Sample

The following Prevue Succession Planning Report will enhance your internal resource management.

The Customer Service Sample benchmark has been compared to the candidates selected. You may repeat this process as often as required, and select as many candidates as you wish. Each Prevue candidate's suitability is calculated and listed in a descending order of percentage fit.

The following candidates were chosen for this Succession Planning report.

1. Dave Sample

2. Sara Sample

3. Aaron Sample

Prevue Benchmark

Dave Sample

Customer Service Sample

A Prevue benchmark illustrates the required characteristics for this job as decided by management. The shadowed areas above graphically represent the benchmark for this Customer Service Sample position. The number on each scale is Dave Sample's actual score. The following percentage reflects the degree of suitability of his scores when compared to this benchmark.

Prevue Job Suitability

The Prevue benchmark suitability should comprise not more than one-third of the selection decision process. The other aspects of the selection decision process, including the job interview, candidate history and background check, should be furnished by management.

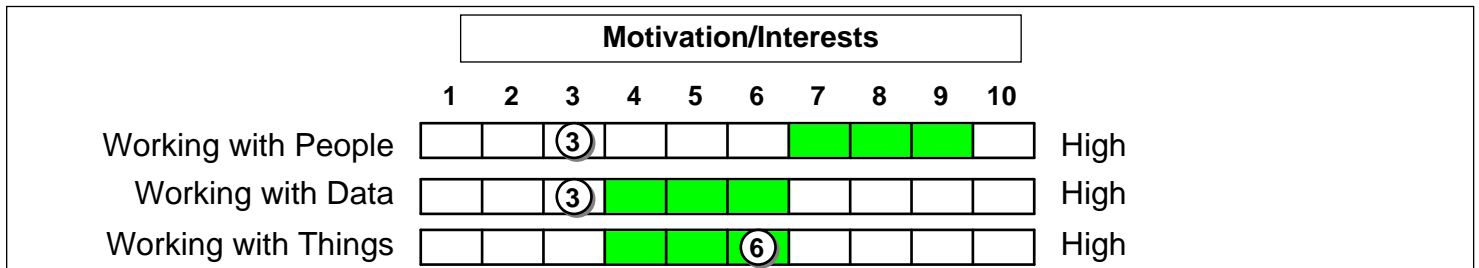

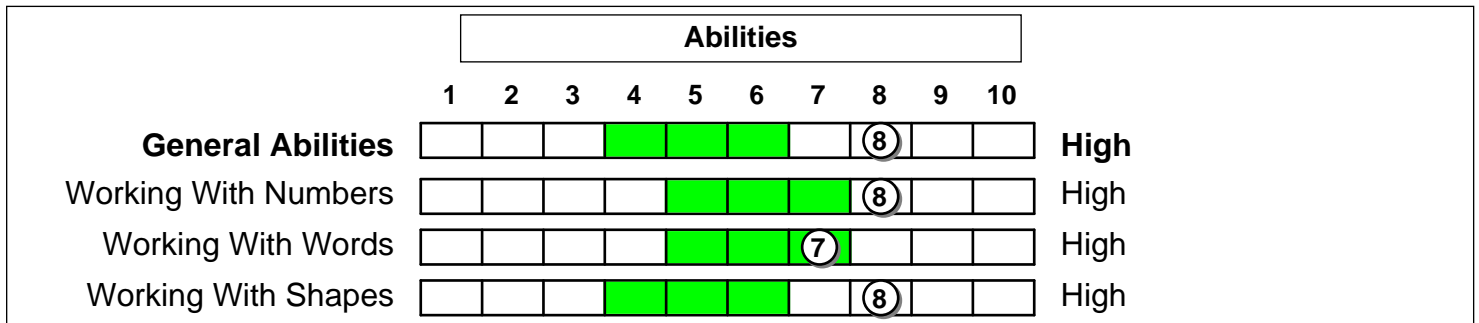

Benchmark Suitability

55%

Prevue Benchmark
